EXPERIENCE

- **Financial Controller** (4 months fixed-term contract) **2025 - 2026**
Bordeaux Métropole, Bordeaux (France)
 - Conception and automation of Excel-based cash flow forecasts, various reports, investment tracking, and monthly database updates by analyzing variances between budgeted and actual figures.
 - Creation and submission of grant expenditure statements to public funders. Creation of budget summaries for municipalities.
- **Financial Auditor** (Apprenticeship – Permanent contract) **2022 - 2025**
S.A.E.C. Lalande et Associés, Bordeaux (France)
 - Conducted full-scope financial audits across various industries, covering all audit cycles on-site and reviewing statutory financial statements.
 - Performed margin, cost and profitability analyses, reviewed billing processes, and ensured the reliability of financial data in high-volume environments. Analysed financial flows, variances and anomalies.
 - Reviewed internal controls, performed account reconciliations and assessed month-end closing processes.
 - Collaborated with accounting, finance and operational teams, and contributed to inventory counts and training of junior staff.
- **Accountant** (Student Non-Profit Association) **2022 - 2024**
IAE Bordeaux Consulting – Junior Enterprise, Bordeaux (France)
 - Managed the association’s accounting records and prepared the annual audit. Supported recruitment and training of the incoming team.
- **Accounting Assistant** (2 months Internship) **2022**
Valexco, Chambray-lès-Tours (France)
 - Handled accounting for professional clients and prepared tax packages.
 - Supported the preparation of social and legal reports.
- **Order picker / logistics / compliance** (Summer seasons) **2019, 2020, 2021, 2022**
Deret Fashion for Givenchy, Montbazou (France)
