

PIERRE-LOUIS DE SUSINI

QHSE ENGINEER APPRENTICE

SUMMARY

Apprentice QHSE Engineer at Kyrnolia (Veolia Group), currently in a work-study program at ESAIP Angers. Experienced in risk assessment, environmental analysis on ICPE and other industrial sites, and regulatory compliance. Rigorous, field-oriented, and fluent in English. Seeking a 3-month international internship from June 2026 to develop a global QHSE perspective.
